

Wildlife Specialists, LLC

Job Announcements

Bat Survey Technician

Wildlife Specialists, LLC is now seeking to hire seasonal Bat Technicians in Northcentral Pennsylvania. Bat technicians should be energetic and highly motivated individuals who preferably have or are currently pursuing a degree in a natural resource-related field, such as wildlife management, biology, environmental resources, etc. Applicants for this position must possess a valid driver's license and be willing to travel and work for long hours in inclement weather. All Technicians will be required to have completed the series of rabies vaccinations prior to employment. Wildlife Specialists, LLC, will provide vaccinations for individuals not currently vaccinated. Previous experience with bat handling, identification, and mist-netting is preferred but not required. Pay is commensurate with experience and education. If interested, please email a resume and cover letter to chris@wildlife-specialists.com.

Wetland/Plant Technician

Wildlife Specialists, LLC is now seeking to hire Wetland/Plant Technicians in Northcentral Pennsylvania for the 2010 field season (typically April 15 – August 15). Wetland/Plant Technicians should be energetic and highly motivated individuals who preferably have or are currently pursuing a degree in a natural resource-related field, such as forestry, ecology, wildlife management, biology, environmental resources, etc. Applicants for this position must possess a valid driver's license and be willing to travel and work for long hours in inclement weather. Previous experience in wetland delineation and plant identification is preferred. Pay is commensurate with experience and education. If interested, please email a resume and cover letter to chris@wildlife-specialists.com.
